Lecturer, Management Development Institute of Singapore (MDIS) in Tashkent, 2017-2018

Research Assistant, WIUT, 2014-2015.

Intern, British Council, Tashkent office, 2012-2013.

Intern, Center for Economic Research (UNDP), 2012.

De Facto Marketing (Data analysis), Tashkent office, 2010-2014

RESEARCH:

Articles in Journals with Impact Factor

Turdaliev, S., Sargsyan, Y., & van Koten, S. (2026). How effective are intermittent energy reports? Evidence from a long-term behavioral intervention in energy conservation. *Environmental and Resource Economics*, 89, 1. <https://doi.org/10.1007/s10640-025-01064-z>. ISSN: 1573-1502.

Turdaliev S. (2025). Exploring the Dirty Side: The Heterogeneous Impact of Increasing Block Pricing on the Propensity to Purchase Dirty Fuels. *Environment, Development and Sustainability*. <https://doi.org/10.1007/s10668-025-05973-3>. ISSN: 1573-2975.

Sargsyan Y., **Turdaliev S.** (2023). Powering Up Child Growth: The Impact of Electricity Outages on Children's Anthropometric Outcomes in Kyrgyz Republic. *Eastern European Economics*, 62(04). <https://doi.org/10.1080/00128775.2023.2291382>. ISSN: 0012-8775.

Turdaliev S. (2023). Household-Specific Social Norms, the Elasticity of Electricity Demand, and Carbon Emissions Reductions in the Residential Sector: Evidence from a Natural Experiment in Russia. *Climate Change Economics*, 14(03). <https://doi.org/10.1142/S2010007823500173>. ISSN: 2010-0078.

Turdaliev S., Janda K. (2023). Increasing Block Tariff Electricity Pricing and the Propensity to Purchase Dirty Fuels: Empirical Evidence from a Natural Experiment. *Eastern European Economics*, 62(04). <https://doi.org/10.1080/00128775.2023.2165948>. ISSN: 0012-8775.

Akimov A., Malin M., Sargsyan Y., Suyunov G., **Turdaliev S.** (2023). Student Success in University First Year Statistics Course: Do Student Characteristics Affect Their Academic Performance? *Journal of Statistics and Data Science Education*, 32(01). <https://doi.org/10.1080/26939169.2023.2184435>. ISSN: 2693-9169.

Turdaliev S. (2021). Increasing Block Rate Electricity Pricing and Propensity to Purchase Electrical Appliances: Evidence from a Natural Experiment in Russia. *Energies*, 14(21), 6954. <https://doi.org/10.3390/en14216954>. ISSN: 1996-1073.

Work in Progress

Sargsyan Y., **Turdaliev S.**, & Janda K. Spillover Effects of Electricity Nudges: Evidence from a Field Experiment on Gas Demand and Appliance Purchases.

Turdaliev S., Sargsyan Y., & van Koten S. The Heterogeneous Effects of Social Cues on Daytime and Nighttime Electricity Usage, and Appliance Purchase: Evidence from a Field Experiment in Armenia.

Articles in Collections and Proceedings

Sargsyan, Y., **Turdaliev, S.**, & van Koten, S. (2024). Are Social Comparison Reports Effective in Transition Economies? Evidence from a Field Experiment. In *Financial Markets and Corporate Reporting under Geopolitical Risks*, Springer Proceedings in Business and Economics. Chapter 8, Springer. https://doi.org/10.1007/978-3-031-62998-3_8. ISBN: 978-3-031-62997-6 (Scopus).

Turdaliev, S. (2020). Labour Participation of Married Woman in Russia. In DOKBAT 2020 - 16th Annual International Bata Conference for Ph.D. Students and Young Researchers (Vol. 16). Zlín: Tomas Bata University in Zlín, Faculty of Management and Economics. DOI: <https://doi.org/10.7441/dokbat.2020>. ISBN: 978-80-7454-935-9.

Industry reports

European Commission: Directorate-General for Internal Market, Industry, Entrepreneurship and SMEs, Vencovsky, D., Njoroge, W., **Turdaliev, S.**, Dunkerley, F. et al., Prospective study on the future of the postal sector – Final report, Publications Office of the European Union, 2024, <https://data.europa.eu/doi/10.2873/0431952>.

HONORS, AWARDS, AND GRANTS:

2024: Selected by Times Higher Education (THE) to participate in the *World University Rankings Global Academic Reputation Survey* (2023, 2024) – Recognized for contributions based on research publications.

2023: Bonus Scholarship for “*Publishing and academic activities*”, IES FSV, Charles University (155183 CZK).

2023: Research grant “GA UK 454120” (as a Principal Investigator) recognized as the *best* GAUK project among all projects in 2023 at the Faculty of Social Sciences, Charles University, and awarded “*a scholarship for outstanding achievement*” by the faculty.

2022: Bonus Scholarship for “*Publishing and academic activities*”, IES FSV, Charles University (90000 CZK).

2021: Bonus Scholarship for “*Publishing and academic activities*”, IES FSV, Charles University (94000 CZK).

2021-2023: Research grant “GA UK 327421”, Grant Agency of the Charles University: Residential Energy Demand, Adoption of Energy Efficient Technologies, and Electricity Disruptions in Transition Economies. As a co-investigator (876000 CZK).

2020-2022: Grant project funded by Czech Science Foundation GACR: Measuring the impact of the closure of non-bank microfinance institutions. As a co-investigator.

2020: Bonus Scholarship for “*Publishing and academic activities*”, IES FSV, Charles University (46000 CZK).

2020: “*Best paper award*” (2nd place), 16th International Bata Conference for Ph.D. Students and Young Researchers (DOKBAT 2020).

2020-2022: Research grant “GA UK 454120”, Grant Agency of the Charles University: The Effect of Non-linear Tariff on Energy Demand and Investment in Electric Durables in Transition Economies: Micro Data Estimation and Natural Experiment. As a Principal Investigator (865000 CZK).

2019: Teaching Fellow award, CERGE-EI (4800\$).

2019: Full grant for Ph.D. studies in economics, IES FSV, Charles University, Prague.

2015: Full grant for graduate studies in economics, CERGE-EI, Charles University, Prague.

2015: Top 15 papers of the “New Economic Talent 2015” competition in Economics, CERGE-EI

2014: Finalist (Top 3 papers) of the “New Economic Talent 2014” competition in Economics, CERGE-EI

2014: The Best Project (Bachelor’s thesis) awards, WIUT.

2014: “Dean’s List” in recognition of outstanding and exemplary academic achievement in 2013-2014 academic year, WIUT.

2014: The Best Poster Presentation of the Final Project in 2013-2014 academic year, WIUT.

2013: “Dean’s List” in recognition of outstanding and exemplary academic achievement in 2012-2013 academic year, WIUT.

2011: 1st place in the “First Rector’s Cup Chess Tournament -2011”, WIUT.

2006: 7th place in Asian Youth Chess Championship 2006 for Boys and Girls under 16 years.

CONFERENCE PRESENTATIONS:

2025: The 27th Annual Conference on Environmental Economics, Policy and International Relations VSE-UK, Prague, Czech Republic.

2025: Armenian Economic Association Annual Conference (ArmEA Annual Meetings 2025).

2024: The 26th Annual Conference on Environmental Economics, Policy and International Relations VSE-UK, Prague, Czech Republic.

2020: 5th AIEE Energy Symposium on Current and Future Challenges to Energy Security, SDA Bocconi School of Management.
2020: The 22nd International Conference on Environmental Economics, Policy and International Environmental Relations VSE-UK, Prague, Czech Republic.
2020: 16th International Bata Conference for Ph.D. Students and Young Researchers (DOKBAT 2020).
2020: International Winter School on "Impact Assessment of European Climate Policy", Technische Universität Bergakademie Freiberg (Ph.D. Poster Presentation).
2019: The 21st International Conference on Environmental Economics, Policy and International Environmental Relations VSE-UK, Prague, Czech Republic.
2019: Research presentation (Religious affiliation of household head and anthropometric outcomes of the children), CERGE-EI, Prague, Czech Republic (May 2019).
2018: Conference on "Social science knowledge and sustainable agricultural development along the Silk Road", organized by Leibniz Institute of Agricultural Development in Transition Economies (IAMO).
2017: Regular research seminar session at Westminster International University in Tashkent (WIUT). URL: <http://wiut.uz/research/news-research-wiut/item/570-female-income-and-the-divorce-decision-real-versus-relative-developed-versus-developing>
2015: The 4th Forum of Young Scientists and Economists: Institutional environment and human capital as factors of competitiveness of the national economy (WIUT, and Institute for Forecasting and Macroeconomic Research (IFMR)), Tashkent, Uzbekistan.
2015: Jamboree for doctoral students and young researchers (WIUT).
2014: Regular research seminar session (WIUT) URL: <http://wiut.uz/academic-year-2014-2015/311-academic-year-2014-2015>
2014: The 3rd Forum of Young Scientists and Economists: Scientific basis for mobilization of reserves of growth and modernization of the economy. (WIUT, and IFMR), Tashkent, Uzbekistan.
2014: New Economic Talent-2014 competition, CERGE-EI, Prague, Czech Republic.

TEACHING:

B.A:

Economics of European Union, (CIEE, Charles University), 2023, 2024, 2025
Topics in Microeconomics, (WIUT), 2019
Statistics, (WIUT), 2018-2019
Econometrics, (WIUT), 2017-2018

Foundations of Mathematics, (Management Development Institute of Singapore in Tashkent (MDIS)), 2017-2018

M.A:

Econometrics II, (IES FSV, Charles University), 2022

Applied Microeconometrics, (IES FSV, Charles University), 2021, 2022, 2023

Environmental Economics, (IES FSV, Charles University), 2021

International Political Economy, (IES FSV, Charles University), 2021, 2022

History and Methodology of Economics, (IES FSV, Charles University), 2020, 2021, 2022

Bachelor Thesis Advisees (with initial placement)

Jamshid Odiljonov (WIUT). “Relative Share of Household Chores and Probability of Divorce: Evidence from a Transition Economy” (Graduate student at University of Bonn, MSc in Economics (with full scholarship)).

REFEREEING:

Economic Papers; Energy Efficiency; Political Economy; BMC Geriatrics; Journal of Health, Population and Nutrition.

Languages: English (fluent), Russian (native speaker), Uzbek (native speaker).
